## REFERENCES

I would like to highly recommend Jagoda Olender (Olender Translations) as a translator and a proof reader.

In 2019-2020 I had a chance to work with Jagoda when she transcribed medical presentations and documents with specialised terminology for one of my clients (European pharmaceutical company). She also did various editing and proof reading of specialised texts. Her work was reliable, high quality and on time. She was also flexible and had a very professional approach.

I am recommending Olender Translations and Jagoda's work.
